

## THE CELORON VILLAGE REHAB PROGRAM

The **Celoron Village Rehab Program** is a grant awarded to the Village of Celoron by the New York State Office of Community Renewal (OCR) Community Development Block Grant (CDBG) program. The program is intended to provide financial assistance to low-income residents of the Village of Celoron whose homes are in need of repairs.

**APPLICATIONS MUST BE RECEIVED AS SOON AS POSSIBLE TO BE CONSIDERED FOR ASSISTANCE.**

### **WHO IS ELIGIBLE?**

The **Celoron Village Rehab Program** will assist approximately 9 owner-occupied properties. Commercial properties and rentals are not eligible. In order to be eligible, the residence must:

- 1) be located in the Village of Celoron
- 2) be in need of repairs
- 3) be able to be repaired (brought up to basic health and safety standards) with the funds that are available, and
- 4) be owned and occupied by residents who meet income guidelines. Income eligibility is based on the *total* income of *all* members of the household over age 18 *from all sources* (including social security, unemployment, retirement, etc.) *before any taxes or deductions*.
- 5) **If more than 9 complete applications are received, priority will be given to lowest income households and those with the least available cash assets first. The nine lowest-income households whose homes can be repaired with the funds available will receive assistance.**

### **2019 INCOME GUIDELINES:**

<b>FAMILY SIZE</b>	<b>1 Person</b>	<b>2 People</b>	<b>3 People</b>	<b>4 People</b>	<b>5 People</b>	<b>6 People</b>	<b>7 People</b>	<b>8 People</b>
<b>MAXIMUM ALLOWABLE INCOME</b>	\$37,120	\$42,400	\$47,680	\$52,960	\$57,200	\$61,440	\$65,680	\$69,920

### **WHO WILL DECIDE IF I AM ELIGIBLE?**

The Village of Celoron has contracted with **Chautauqua Home Rehabilitation and Improvement Corporation (CHRIC)**, a countywide non-profit housing rehabilitation agency, to administer the funds. CHRIC has over 30 years of experience administering state, federal, and private funds designed to assist low-income residents with home repairs. CHRIC will be responsible for verifying applicant eligibility and working with residents to assess the needs of eligible properties, complete work write-ups, and oversee work while it is underway. CHRIC can be contacted at:

Chautauqua Home Rehab & Improvement Corporation (CHRIC)  
2 Academy St  
Mayville, NY 14757  
753-4650 (toll free: 661-7650)

## **WHAT TYPE OF WORK CAN BE DONE?**

Any work that is necessary to bring the property up to basic health and safety standards may be eligible under the program, including work such as roofs, windows, doors, siding, furnaces, electrical, plumbing, septic, wells, etc. Grant funds cannot be used for remodeling or redecorating that is not necessary.

**Federal regulations also *require* that all properties that receive assistance through the CDBG program be assessed for lead-based paint hazards. Any lead-based paint hazards that are found *must* be addressed as part of the work that is completed.**

The scope of work will be determined by the property owners and CHRIC's Housing Rehab Specialists. All work will be done by insured, independent contractors that have been pre-qualified by CHRIC. Contracts will be awarded based on competitive bids.

## **WHEN WILL THE WORK GET DONE?**

The process of administering state funding does not allow things to happen as quickly as people often wish they would. On average, the current time frame for CHRIC projects runs approximately 11 months from receiving an application until the work is complete.

When your application is received it needs to be reviewed for completeness and to determine your eligibility. Then a rehab specialist will make an appointment to come to the property to inspect it with you. He or she will complete a work write-up, which you will have to sign indicating your approval. This write-up gets sent to contractors with whom you will make arrangements to receive bids on the work. The bids have to be evaluated so that total cost and your cost share, if any, can be determined. When funds are in place, including your cost share (if any), the contractor will be issued a Notice to Proceed, at which time he will order materials for the job and schedule the work.

As you can see, each step is going to take a certain amount of time. Your involvement is required at almost every step, so you can help to avoid unnecessary delays by completing the things you need to do as quickly and thoroughly as possible.

## **WHAT WILL THE COST BE TO ME?**

CHRIC will make every effort to cover as much of the cost as possible using CDBG funds and other CHRIC funds. In most cases, we are able to cover costs in full. If costs cannot be covered in full, you will be notified before contracts are prepared of how much cannot be covered. We will work with you to try to reduce costs if possible. CHRIC also has some loan funds available where appropriate. If costs cannot be covered and you are unable to cover the shortfall, the project can be cancelled with no cost to you. However, we will make every effort to try to make sure that does not happen.

## **WHAT ARE THE REQUIREMENTS PLACED ON ME AS A RESULT OF RECEIVING THIS ASSISTANCE?**

The OCR CDBG funds that are invested into the property are considered a deferred loan. A three-year declining lien will be placed on the property as a result of receiving assistance. The lien declines in equal amounts annually throughout the 3-year period. No payments have to be made. The only time you *may be* responsible for repaying any money is if you sell the property within the three-year lien period. However, circumstances can be investigated and the lien can

be waived if repayment would cause a hardship (i.e., you are selling because you *have to* sell). The only real purpose of the lien is to prevent misuse of public funds by people who may seek free money to invest into a property in order to sell it at a profit.
